People For Nuclear Disarmament (P.N.D) are a group of people devoted to Nuclear Disarmament. We have been active since 1960 and are based in Sydney, Australia, and have affiliates around the world.

PND's objective is to inspire, and mobilise public opinion in support of disarmament and peace, social justice, and preservation of the environment, with the ultimate aim of complete and general world disarmament with the necessary safeguards assured by agreed forms of international supervision.
