The content of this website is either copyrighted by People For Nuclear Disarmament (PND) or the owners of the given content and may not be redistributed or reproduced in any way, shape, or form without the permission of the owners of the given content unless otherwise noted.

PND's website [Terms Of Use](#) also applies.

Portions of this content may be used for educational purposes and personal use as copyright law permits under fair dealing / fair use provisions provided that this website is identified as the source of the content and that the content's copyright status is acknowledged.

Some of the content on this website may be public domain and as such we make no claims to ownership of such content. However due to questions of legal jurisdiction we are generally unable to exactly assert the exact status of these items on this website.

However if you are interested in any of the articles or images on this website for use in your own projects please feel free to [contact](#) us so we can provide the permission you require or the information we have on the source of the content you are interested in. We are generally happy to approve use of our own material but due to use of other copyrighted material we need to vet it's distribution.
